01 Professional Summary

Results-driven Customer Service Representative, Appointment Setter and Certified STEM Educator with over 8 years of combined experience in high-volume outreach, client engagement and digital instruction. Proven ability to qualify inbound leads, streamline clinical and administrative workflows, and simplify complex concepts for diverse audiences. Adept at navigating multi-line phone systems (Aircall, Zoom), CRM platforms (HubSpot, Zendesk, Salesforce) and EdTech software (Google Workspace, ChromeOS) in fast-paced remote environments. Committed to delivering exceptional patient and client advocacy, maintaining speed-to-lead responses, and driving performance through clear communication.

05 Core Skills

CALL CENTER & OUTREACH

- High-volume inbound/outbound calls
- Appointment scheduling
- Lead qualification
- Speed-to-lead

INSTRUCTION & EDTECH

- Virtual tutoring
- Curriculum design
- Presentation
- Google Classroom
- ChromeOS
- Digital whiteboards

HEALTHCARE & CLINICAL SUPPORT

- Patient triage

02 Professional Experience

Call Center Service Representative & Appointment Setter

Mar 2022 – Present

Mani Enterprises · Houston, Texas

- Serve as the primary first point of contact, managing high-volume inbound calls to qualify prospects and schedule appointments and transportation logistics to various clinics.
- Manage top-of-funnel activity, ensuring rapid speed-to-lead responses and consistent follow-ups for patient and client inquiries.
- Assess the needs of sick patients using established protocols and triage requirements, and file detailed documentation for review by clinical staff.
- Initiate and track health referrals, coordinating scheduled meetings and follow-up appointments with external specialists.
- Update and manage CRM systems (Zendesk, Salesforce, EHR) to track interactions, streamline workflows and ensure secure data transmission.

STEM Lead & Educator

2025 – Present

Innovative Centre for Inclusive Growth / STEM Club Lagos

- Design and implement advanced mathematics curricula while training educators in applied mathematics teaching methodologies.
- Lead projects spreading STEM awareness across Lagos, reaching **over 5,000 members in 9 months**.
- Mentor students preparing for advanced mathematics examinations, providing structured feedback and assessment.
